What are the attributes of God? Those qualities of God which constitute who He is; the eternal characteristics of His nature.		
	•	God is all of His attributes all of the time. (unity of God)
Notes about our study:

	2.	Our foundation is what actually says.
	3.	We will study the attributes in two broad categories.
		Greatness
		Goodness

Why study God's attributes?		
***	1.	*
	2.	Because God Himself!
	3.	To Know God personally and in a deeper way
	4.	God's nature is the of truth and Christian living

Can God be Known?

- 1. Incomprehensibility
 - Unable to fully or exhaustively understand God

Exploring Incomprehensibility:

Job 26:14, Isa 55:8-9, Ps 145:3, Ps 139:6, Isa 40:28, Ps 147:5, 1 Cor 2:10-11

Rom 11:33-34 Oh, the depth of the riches and wisdom and knowledge of God! How unsearchable are his judgments and how inscrutable his ways! "For who has known the mind of the Lord, or who has been his counselor?"

Our response:

- 2. Knowability
 - Although we cannot know God fully, we can ever increasingly and truly know God in both knowledge and relationship because He has revealed Himself.

Exploring Knowability:
God _____ chose to reveal Himself and be known – Matt 11:27
Knowing God means be in _____ with Him - Jer 9:23-24, John 14:23

• Knowing God helps us stand _____ and do His work! Dan 11:32

• To know God, we must _____ His revelation – Scripture!

John 5:39-40

Our response:

Equipping - Memorization:

1 John 5:20 And we know that the Son of God has come and has given us understanding, so that we may know him who is true; and we are in him who is true, in his Son Jesus Christ. He is the true God and eternal life.
